About Website

This website is made by my group. This website we have made using basic HTML and CSS. We have created three webpages and linked them to our university site and their social accounts.

It will be providing basic knowledge about our university and our School of Computer Science and Engineering.

(B.Tech. CSE, Class of 2018)

SCHOOL OF COMPUTER SCIENCE AND ENGINEERING

Among the best Colleges for Computer Science in Punjab, India, LPU Computer Science and Engineering Discipline encourages all-round development through industry adapted curriculum focusing on enhancing both technical skills and soft skills. Each year, our coders set the benchmark a step higher by securing placements in top international brands like Microsoft, Google and Apple.
